(Food prepared in our kitchen may contain allergens, please make the team aware of any allergies on ordering.)

Our ever-changing menu is created by our chefs to showcase the best local ingredients.

It is important to us to build relationships and trade directly with local farmers who support our values of regenerative farming. Our meat is pasture fed, free range or wild and butchered here in house. Our dayboat fish comes from the south coast and our vegetables are sourced seasonally using local suppliers.
